

THE BERKSHIRE

Our most recent model combines maple and nickel, based on regular customer requests, along with our newly designed inlay pattern.

- Flame maple neck and resonator
- Rich burgundy finish
- Nickel plated parts
- Huber hearts & petals inlay
- White/black/white binding
- Presto tailpiece

All Huber models feature:

- Huber pre-war replica tone ring
- Hide glue, 3 ply maple rim
- Vintage-style one piece zinc flange
- Huber pre war style 5 ply resonator
- Rosewood fingerboard
- Steel coordinator rods
- Two way adjustable truss rod
- Limited lifetime warranty
- Waverly V-2 tuners
- Huber "vintage" head
- High quality hard shell case

"There's no substitute for the prewar sound but, quite frankly, the Huber gets you so close it's downright scary."
